

TEMPORARY JUNIOR RESEARCH ASSISTANT

We are seeking a part-time Research Associate for 6 weeks from 15 August to 30 September 2017 to perform qualitative data analysis and technical report writing on HIV /STI prevention projects and Health Promotion projects in Singapore.

The specific duties for this post include conducting literature review; assisting the research team in writing reports and scientific papers. The job holder will work closely with Associate Professor Wong Mee Lian.

This part time full-time post is based at the Tahir Foundation Building at National University of Singapore.

Requirements:

- Master's degree in public health, sociology, psychology, health promotion or health service research
- Excellent command of English with good writing skills
- Experience in qualitative data analysis

Applicants should send the following by email to Ms. Low Pei Chin at ephipc@nus.edu.sg:

1. Cover note introducing themselves
2. Brief statement of interest matching their skills and competencies to the requirements of the post (no more than 1000 words)
3. A two page Curriculum Vitae, containing details of three named referees
4. A sample of published work that is the most relevant to the current vacancy
5. A complete NUS Personal Data Consent for Job Applicants (form is available here: [NUS Personal Data Consent for Job Applicants](#))

Informal enquiries can be addressed to A/Prof Wong Mee Lian (ephwml@nus.edu.sg).

Interviews will be either face to face for local candidates or by video link for those who are based abroad.

For more details on the compensation and benefits in NUS, please refer to the following website: <http://www.nus.edu.sg/careers/whatyougettoenjoy.html>.

Please note that only shortlisted candidates will be contacted.
