

## **Temporary Research Assistant for Qualitative Study on Breast Cancer Screening in Malay Women in Singapore**

The Saw Swee Hock School of Public Health (SSHSPH) at the National University of Singapore (NUS) is recruiting a temporary Research Assistant for Breast Cancer Screening study.

Duties may include but are not limited to: (1) recruit research participants; (2) conduct in-depth interviews; (3) manage and analyse qualitative data; (4) assist in the coordination and reporting of the study findings.

The candidate should: (1) hold a Master's Degree in Psychology, Sociology, Social work, Nursing or Public Health; (2) have past experience in conducting in-depth interviews and analyzing qualitative data.

This position is open to female candidates only due to the requirement of the study to work with women participants on sensitive topics in breast cancer screening. Strong interpersonal skills are required to work with both research participants and research team. The candidate is expected to work independently and have good organizational skills.

This is a part-time position up to 31 March 2018.

Applicants should send the following by email to Ms. Jenny Liu ([jenny\\_liu@nus.edu.sg](mailto:jenny_liu@nus.edu.sg)):

- 1) Cover letter highlighting relevant experience, skills and competencies to the post (no more than 2 pages)
- 2) A two page Curriculum Vitae containing contact details of three named referees
- 3) A complete NUS Personal Data Consent for Job Applicants (form is available here: [NUS Personal Data Consent for Job Applicants](#))

Informal enquiries can be addressed to A/Prof Wong Mee Lian ([ephwml@nus.edu.sg](mailto:ephwml@nus.edu.sg)).

Please note that only shortlisted candidates will be contacted.
