

Saw Swee Hock  
School of Public Health

Applications are invited for the following full-time positions in the Saw Swee Hock School of Public Health:

### **Research Assistant/Associate (Health Economics)**

#### ***Job Description***

The Centre for Health Services and Policy Research (CHSPR) of the Saw Swee Hock School of Public Health and National University Health System, Singapore is seeking one research assistant/associate with equivalent experience to support faculty members in conducting studies in the area of health economics, including program evaluation, health outcomes, health care financing, budget impact analysis, cost-benefit analysis and cost-effectiveness analysis.

The RA will play an important role in the development of the Center's growing research agenda to support health policy and services research in Singapore. To that end, successful candidates will be expected to support the preparation of new grant proposals as well as assist in the management of research activities and manuscript writing on existing projects. The RA will also be expected to work independently, while interacting with interdisciplinary teams.

#### ***Requirement***

Applicants are expected to have at least a degree from an established University, preferably in economics, statistics, public health, public policy, life sciences or equivalent.

- Experience with cost data analytics preferred
- Good team-player, independent, well-organised and meticulous
- Possess excellent written and verbal communication skills
- Proficient in the use of Microsoft Office Applications as well as data management and analysis using statistical software (R, Stata or SPSS)
- Knowledge of Mandarin, Chinese dialects, Malay or Tamil will be an advantage to liaise with associates
- Entry Level candidates with relevant training or expertise are welcome to apply

\*In addition to requiring more experience, the Research Associate position requires a Master's degree.

Recruitment is open immediately, and will continue until the position is filled. To apply please email CV and cover letter highlighting career goals, relevant experience and the names of two referees and a complete NUS Personal Data Consent for Job Applicants (form is available here : [NUS Personal Data Consent for Job Applicants](#)) to:
