

MINOR IN PUBLIC HEALTH PROGRAMME REQUIREMENTS - FOR STUDENTS ADMITTED IN AY2014/15

1. Relevant General Education Modules (GEMs) may be included in the list of modules approved for a Minor.
 - Students who read such a GEM may count it towards both the General Education and Minor requirements.
 - Modules read under the Breadth and Unrestricted Elective module requirements can also be used to satisfy the Minor programme requirements.
2. Up to 8 MCs may be used to meet the requirements for both the Minor and a Major or another Minor, subject to the agreement of the particular department(s)/ programme(s) or Faculty/ School hosting the Minor.
3. A minimum 16 MCs of the Minor requirements must be earned from modules read in NUS, unless indicated otherwise by Faculties/Departments for specific minors. Modules read at NUS include all modules taught, co-taught, supervised or co-supervised by one or more NUS faculty members. These would consist of graded modules with assigned grade points, or modules with an 'S' or 'CS' grade.
4. The other 8 MCs may be earned through credit transfers, advanced placement and exemptions, provided these MCs are earned from modules deemed relevant to the particular Minor programme.
