

CURRICULUM VITAE

PERSONAL INFORMATION

Name: Siow-Ann Chong, MBBS, MMED, MD, FAMS

Office Address: Research Division
Institute of Mental Health
Buangkok Green Medical Park
10 Buangkok View
Singapore 539747
Email: siow_ann_chong@imh.com.sg
Telephone: 65-63892000

Academic Qualifications: 1986 MBBS (Singapore), National University of Singapore
1992 Master of Medicine (Psychiatry), National University of Singapore
1996 Fellow of Academy of Medicine, Specialist Roll, Academy of
Medicine, Singapore, Chapter of Psychiatrist
2008 Doctor of Medicine, National University of Singapore

Medical Licenses: Certificate of Full Medical Registration, 1987. Singapore Medical Council
Certificate of Specialist Registration in Psychiatry, 1998

Current Appointments: Vice Chairman Medical Board (Research), Institute of Mental Health
Senior Consultant Psychiatrist, Institute of Mental Health
Adjunct Professor, Lee Kong Chian School of Medicine, Nanyang
Technological University
Adjunct Professor, Saw Swee Hock School of Public Health

Doctor of Medicine, Thesis: Risk Factors for Tardive Dyskinesia Among Asian Patients with
Schizophrenia. National University of Singapore. 2008

Research Interest: Psychoses, Psychiatric Epidemiology, and Health Service Research

AWARDS AND HONOURS:

1999 Best Published Paper in 1999, Institute of Mental Health
2005 First prize – Scientific Poster Competition. Inaugural Singapore
Clinical Quality Forum, 7 Oct 2005
2006 World Health Organization State of Kuwait Prize for Research in Health
Promotion
2006 NHG Researcher-Investigator-Scientist Enabler Award
2007 Senior Clinician Scientist Investigator Award (National Medical Research Council)
2007 National Healthcare Group Annual Scientific Congress Best Oral Paper
(Medicine, Paediatrics) (Co-Investigator)
2008 National Clinical Excellence Team Award (Principal Investigator)
2008 National Healthcare Group Distinguished Achievement Award
2011 Galloway Memorial Lecture and Gold Medal (Academy of Medicine, Singapore)
2011 Long Service Award, National Council of Social Service
2012 Best Publication Silver Award, Annals of the Academy of Medicine, Singapore
2014 Best Publication Bronze Award, Annals of the Academy of Medicine, Singapore
2016 NHG Distinguished Senior Clinician Award
2016 The Public Administration Medal (Bronze) (National Day Awards)
2016 Long Service Award, Ministry of Health, Singapore
2016 Best Publication Gold Award, Annals of the Academy of Medicine Singapore

- 2017 Distinguished Psychiatrist Award (Singapore Psychiatric Association)
2017 The Long Service Medal (National Day Awards)

PROFESSIONAL ACTIVITIES AND MEMBERSHIPS:

- Singapore Psychiatric Association
- Academy of Medicine, Singapore
- International Early Psychosis Association

NATIONAL AND INTERNATIONAL COMMITTEES/BOARDS:

- Board Member, Singapore Millennium Foundation
- Board Member, Silver Ribbon Singapore
- Member, National Medical Research Council
- Member, Residency Advisory Committee (Psychiatry)
- Member, NHG Research Committee
- Chief Examiner for Psychiatry, MOH
- Chairman, Joint Committee on Specialist Training Exit Examination Committee on Psychiatry
- Chairman, IMH Clinical Research Committee
- Member, IMH Medical Care Committee
- Member, Neurological and Sense Disorders Taskforce, Ministry of Health
- Member, NTU Health Specialist Panel
- Member, Clinician-Scientists Development Committee
- Member, Mental Health Policy Working Group, Ministry of Health
- Member, Steering Committee for the Enabling Masterplan, Ministry of Social and Family Development
- Member, NHG Population Health Masterplan – Committee for Mental Illness
- Member, Academic Board of Executive Counselling & Training Academy
- Member, Temasek Foundation Innovates
- Core Clinical Faculty member of the National Healthcare Group (NHG) Psychiatry Residency Program
- Member, Ageing Research Institute for Society and Education (ARISE) Advisory Board (NTU)
- Member, The Executive Counseling & Training Academy (ECTA)
- Member, Science for Ageing Policy Advisory Committee

EDITORIAL POSITIONS:

- Associate Editor, Early Intervention in Psychiatry
- Associate Editor, Asian Journal of Psychiatry
- Editorial Board, Clinical Psychopharmacology and Neuroscience
- Editorial Board, East Asian Archives of Psychiatry

Other editorial role:

- 2013 Guest Editor (with Tamra Lasaght): “Special Issue: Mental Health Casebook”. Asian Bioethics Review. 5(3).

Ad-hoc reviewer:

Acta Psychiatrica Scandinavica, American Journal of Medical Genetics (Neuropsychiatric Genetics)
Annals of the Academy of Medicine, Archives of General Psychiatry, Archives of Medical Research,
Asean Journal of Psychiatry, Biological Psychiatry, BMC Research Notes, Brain Research, CNS Drugs,
Early Intervention in Psychiatry, Expert Review of Neurotherapeutics, European Psychiatry, Human
Psychopharmacology: Clinical and Experimental, Journal of Child and Adolescent Psychopharmacology
Journal of Clinical Psychopharmacology, Journal of Traumatic Stress, Lancet, Military Medicine, PLoS
ONE, Progress in Neuro-Psychopharmacology & Biology Psychiatry, Psychiatry Research,
Psychopharmacology, Psychological Medicine, Schizophrenia Research, Schizophrenia Research and
Treatment, Singapore Medical Journal, Social Psychiatry and Psychiatric Epidemiology

GRANT REVIEW AND DEVELOPMENT:

Chairman, NTU-NHG Innovation Seed Grant Review Committee, 2011-2012

Chairman, NHG Scientific Review Committee, 2012-

Co-Chairman, Scientific Review Panel, National Medical Research Council, 2009 – 2011

Member, Infrastructure Review Panel, National Medical Research Council, 2013

Chairman, Clinical Research Committee, Institute of Mental Health & Woodbridge Hospital, 2004 – present

Member, Enabling Masterplan 3 Steering Committee, Ministry of Social and Family Development, Singapore

Ad-hoc reviewer: National Health Group Research and Development Fund; National Medical Research Council (Ministry of Health, Singapore); Health Research Board, Ireland; Family Research Fund, Ministry of Community Development, Youth and Sports (Singapore); National Research Foundation, Singapore; National Research Foundation, South Africa

Grant support:

- Polydipsia/hyponatremia in patients with schizophrenia (\$8,000/Dept of Clinical Research, Ministry of Health/ 1996)
- Clinical features of akathisia (\$31,100 / NMRC/ 1998)
- Tardive dyskinesia and impaired glucose tolerance in patients with schizophrenia (\$9,724/Dept of Clinical Research, Ministry of Health/ 2000)
- Genetic determinants of neuroleptic-induced adverse effects (\$53,000/ National Health Group Research Fund/ 2001)
- Correlation of the duration of untreated illness with structural brain abnormalities and cognitive impairment in patients with first-episode psychosis (\$73,860, NMRC/ 2002)
- Structural brain abnormalities and neurocognitive impairment in patients at high risk for schizophrenias (\$51,920, NMRC/ 2003)
- An epidemiological survey of psychiatric morbidity of SAF Pre-enlistees. (\$98,619, Defence Science & Technology Agency, 2004)
- Pharmacogenetics of tardive dyskinesia (\$157,855, NMRC/2004)
- Depression and diabetes mellitus: Prevalence, cost and impact on treatment. (\$125,700, National Medical Research Council/2005)
- Frontal-thalamic white matter disruptions and neurocognitive and genotyping correlates in patients with first episode schizophrenia and mania. Co-investigator (\$607,700, SBIC/2007)
- Survey of psychiatric morbidity among mentally ill inmates in the Singapore Prison Service. Co-investigator (\$660,628, Singapore Prison Service/2007)
- Financial difficulties and unmet needs of people with mental illness. (\$340,580 Ministry of Community, Youth and Sports and Ministry of Health/2007)
- National Mental Health Evaluation Programme: The Singapore Mental Health Study (\$6,994,807. Singapore Millennium Foundation and Ministry of Health/2008)
- Translational Clinical Research Program: Vulnerability, disease progression, and treatment in schizophrenia and related psychoses (\$25,000,000, National Research Foundation/2008)
- Elucidating Potential Lipid-Based Biomarkers in Schizophrenia. Co-Investigator (\$180,000, National Medical Research Council/ 2010)
- The NEURAPRO-E (North America, Europe, Australia PROdrome) study: A multicentre RCT of Omega-3 Fatty Acids & Cognitive-Behavioural Case Management for Symptomatic Patients at Ultra-High Risk for Early Progression to Schizophrenia & Other Psychotic Disorder. Co-Investigator (\$100,000, Stanley Foundation/2010)
- The Singapore Mental Health Study on the Elderly (\$4,416,365. Singapore Millennium Foundation and Ministry of Health/2008)
- Perceptions and Beliefs of the Singapore Population about Mental Illnesses: A Study of Mental Health Literacy (\$1,000,000. Ministry of Health, Health Service Research Fund/2013)
- Centre Grant (\$10,000,000, National Medical Research Council/2013)
- The Second Singapore Mental Health Study (\$4,897,028.00, Ministry of Health/2014)

- Service evaluation and assessment of components of case-management for patients with psychiatric morbidity. (\$72,225.00, AIC/Oct 2015)
- Employment of Young Persons with Mental Illness (YPMI) in Singapore: A Study on Perspectives of Key Stakeholders. (\$500,000.00, NCSS/Mar 2016)
- Managing hoarding behaviours in the community. (\$69,344.00, MND, AIC, HDB/Jun 2016)
- NMRC Centre Grant (CG) Programme – Primary Healthcare Research in Multimorbidity and Health in a Multi-Ethnic Population (PRIME) CGAUG16C019) (\$885,664/2017)
- NMRC Centre Grant (CG) Programme – Centre for Mental Health Research, Population, Clinical, Systems and Services Research Programme (CGAUG16M002) (\$5,000,000/2017)
- A nationwide knowledge, attitudes and practice (KAP) survey on diabetes in Singapore's general population. (\$1,313,630.00/NMRC HSRG/2017)
